Vernon's Texas Statutes and Codes Annotated . Civil Practice and Remedies Code. Title 4. Liability in Tort. Chapter 87. Liability Arising from Equine Activities or Livestock Shows. Statute Details Citation: TX CIV PRAC & REM § 87.001 - 005 Citation: V. T. C. A., Civil Practice & Remedies Code § 87.001

Summary: This Texas section provides that any person, including an equine activity sponsor, equine professional, livestock show participant, or livestock show sponsor, is not liable for property damage or damages arising from the personal injury or death of a participant in an equine activity or livestock show if the property damage, injury, or death results from the dangers or conditions that are an inherent risk of an equine activity or the showing of an animal on a competitive basis in a livestock show. Liability is not limited by this statute where the equine professional knowingly provided faulty tack or equipment, failed to make reasonable and prudent efforts to determine the ability of the participant to engage safely in the equine activity, owns or otherwise is in lawful possession of the land or facilities upon which the participant sustained injuries because of a known, dangerous latent condition, or if he or she commits an act or omission that constitutes willful or wanton disregard for the safety of the participant or intentionally injures the participant. The statute also requires the visible displaying of "clearly readable" warning signs that alert participants to the limitation of liability by law
